

I can't explain to the producers that the reason my boss can't speak to them is because something that is extremely legal and secret in nature will go live at some point during the interview.

I can't even tell journalists that it's going to be published today let alone a time.

That would put me in A LOT of legal trouble

We pre- tapped As it happens at 12:45.

Cecely

Ok so I am just confused as to what the difference would be if both shows are airing after 5?
